Re: Charter Amendment

I asked the city solicitor to draft an amendment to the City Charter to prohibit any elected official from securing city or school district employment during the term for which the official has been elected and for one year thereafter.

I am asking you to send this amendment to a public hearing as required.

I believe this amendment is in the best interest of good government for our city.

Thank you for your consideration of this amendment.

The present City Charter ( Section 8:05) is as follows:

*No elected public official shall be employed by the city or school district during the official's term in office. Acceptance of elected office by a city or school district employee shall result in termination of employment.*

June 7, 2005.

In Board of Mayor and Aldermen.

On motion of Alderman Shea, duly seconded by Alderman Osborne, it was voted to refer the charter amendment to public hearing on Tuesday, July 19, 2005 at 5:30 PM in the Aldermanic Chambers of City Hall.

Re: **City Charter Section 8.05**

Dear Mayor Baines:

As requested, I am forwarding a draft charter amendment that would prohibit an elected city official from being employed by the City or the School District until a period of one year has elapsed from the completion of the term for which they were elected.

If you so desire, the procedures set forth in RSA 49-B:5 must be followed:

1. The draft must be submitted to the Board of Mayor and Aldermen. The Board of Mayor and Aldermen may then order the draft to public hearing with at least seven (7) days prior notice being published in the newspaper.
2. Within seven (7) days after the public hearing, the Board of Mayor and Aldermen may order the amendment to be placed on the ballot at the next regular municipal election held not less than sixty (60) days after the order is passed.

If you have any questions, feel free to contact me.

Very truly yours,

Thomas R. Clark  
City Solicitor
